Germasogeia - A Village Blessed by Water
This tour aims to take visitors to the peaceful, picturesque village of Germasogeia 15 minutes away from the beach, to stroll through its narrow streets, see its special architecture, visit its churches, and feel the village life. Water has always been the most important element in the development of Germasogeia. It is bounded by the sea in the south and on its north it has as a physical boundary, the water dam of Germasogeia led by the river Amathos coming from the mountains of Troodos. The tour also includes a visit to the water dam of Germasogeia.

Discover the Natural Environment of Germasogeia
This tour aims to discover the nature of Germasogeia. The idea is to walk away from the village to the serene surroundings of the area and enjoy a relaxing stroll wading the hills of Germasogeia. The participants of the tour will enjoy a ride in the old Bedford bus, which drives partly through an earthen road. They will walk (there is some up hill walking) for more than half an hour along the nature trail of the area off Phinacaria laid out by the Forestry Department and enjoy the magnificent view of the water dam and river. In the winter colourful flowers and shrubs cover the valley. The herbs and wild flowers and tree blossoms give a variety of colours and scents.
